The management has tried to provide everything possible at Wal-Cliffe for your convenience, comfort and pleasure. The elaborate program prepared for the 1940-1941 skating season solicits your patronage, but we ask co-operation in enforcing the rules. Our rules are simple and fair and we enforce them because they create order and lessen confusion which might otherwise occur. Help make Wal-Cliffe the safest Rink in the world to enjoy an evening of skating pleasure.
